Statement from the nominee as to why they are standing for this position and what value they can bring to the role.

As per CV. I have been involved in badminton for many years. I believe a person should understand all aspects of the sport and accordingly have attended many courses to improve my knowledge and skills, which I continue to do. I have at various times gained qualifications in coaching, court officiating [umpire and referee], as well as administration and company director qualifications. I am still actively involved in my local organisation both at club and regional level.

I have managed and coached junior and senior State Teams and also managed Australian teams. I was also assistant coach for one Australian team. This I believe demonstrates my people and administration skills
