### Statement on behalf of the nominee of how he/she can add value to the Badminton Oceania Executive Board.

My name is Glenn Cox and I have been involved in Badminton for over 40 years.

Firstly, as a player in which I achieved national representation as a junior player with 11 National titles and tournaments and training trips to Australia, Hong Kong, Malaysia, and Singapore. I returned to playing Badminton when I reached 40 and have been playing ever since.

In my 20s I then had an interest and passion in coaching and coached individuals and teams to National titles and International Representation.

Coaching was part of my life for over ten years where under the tutelage of Martin Anderson achieved accreditation to the former Level 3 Badminton NZ qualification.

## Deputy President Nomination Form

I also attended an Olympic Solidarity course to improve my knowledge and understanding of badminton athletes.

I now focused my attention to the administration side of our sport with time spent on The Badminton New Zealand Board (where I assisted in the creation of the new constitution which was adopted in 2017), the Badminton North Harbour Board and for the last 5 years on the Executive Board of Oceania and the current vice president.

I have looked to assist all New Zealand and Oceania badminton communities from running open tournaments and providing training and learning opportunities whenever we can to support the badminton family. Badminton Oceania is going from strength to strength, I am excited about the future of the organisation and our sport.

I have a true passion for the sport of badminton at all levels and all its players, officials, and volunteers. I have been involved with badminton at a regional, national, and international level.

I have an immense amount of motivation and knowledge that I believe can truly help our region develop and grow and I look forward to the challenges and opportunities that await.
