

# Loke Poh Wong

**Nominated by:** Australia (supported by Tahiti Badminton)

### **Statement from the nominee as to how he/she can add value to the Badminton Oceania Executive Board.**

LP Wong has been involved in all levels of sport administration, from Club base, State, National and Continental Confederation serving as Board member and Presidents of these organisations. Additionally, he has played a significant role in event management, contributing to the successful delivery of numerous local, state, national and major international badminton tournaments in Australia.

As the current President of Badminton Oceania, LP Wong has a deep understanding of the sport, along with understanding the opportunities and challenges it faces in this region. His experience will position him well to serve as an effective BWF Council member while ensuring that the interests of Badminton Oceania's members are maximised.

### **Other sporting, commercial, management or professional experience or relevant qualifications:**

LP Wong is an engineer by profession and a director of an environment engineering company. He is also a director of a number of sport related companies involved with facilities hire for various sports including badminton, basketball, volleyball, martial arts, table tennis and pickleball.

### **Brief statement of nominee's qualifications / experience for this role.**

Answers to Questions 4 & 5 should provide sufficient statement of the nomination's qualification and the suitability of the nominee for the role of BWF VP – Oceania
