Any defined terms used in these Regulations which are not defined in this Section are terms defined in the BOC Constitution or terms defined in BWF JP.

3. PURPOSE

This policy sets out the steps for BOC in raising and dealing with complaints, disputes and disciplinary action.

- 3.1. In support of harmonisation of disciplinary regulations across international badminton, BOC has **adopted** the BWF JP with the aim of ensuring consistency of regulation, enforcement, and fairness for all stakeholders of the sport. As a result of the harmonisation process, most disciplinary cases that arise in international badminton will be handled by the BWF in accordance with the BWF JP.
- 3.2. These Regulations should be read in conjunction with the BOC Constitution and the BWF JP. Together, these have the overall objective to maintain and promote fair play, protect the health and welfare of players (and other stakeholders involved in badminton), ensure that disciplinary matters and disputes are dealt with in a timely manner and fairly by an independent, impartial process that is consistent with the rules of natural justice, and that the image and reputation of international badminton is not adversely affected.
- 3.3. These Regulations will apply in the following circumstances:
 - a. Where BOC has jurisdiction according to BWF JP, or in any dispute that is not governed by the BWF JP.
 - b. BOC has jurisdiction according to BWF JP in the following matters:
 - i. For cases related to BOC events: BOC's respective Oceania tournaments (Grade 3) and other BOC events, Oceania Championships, and from International Multi-Sport Games and Tournaments with an Oceania scope, as described in the General Competition Regulations (BWF Statutes, Section 5.1) and the Para-Badminton General Competition Regulations (BWF Statutes, Section 5.5);
 - ii. To investigate cases involving:
 - a. Players who are not in the top 100 of the BWF World Ranking in any discipline at the time of the alleged or potential breach, and their Related Persons; and
 - b. BOC Officials who are not also BWF Officials;
 - iii. Any matter that has initially been under BWF's jurisdiction in accordance with the BWF JP but where either BWF has designated BOC to act on its behalf as Investigating Party or where BOC's application to the Referral Officer to take over the responsibility to act as the Investigating Party under the BWF JP, has been successful.

- iv. Any disputes connected to the Governance-Related Decisions made by BOC; and
- v. Any other matter that is not covered by the BWF JP involving a BOC Member, a player, technical official, coach, manager, volunteer or employee of a BOC Member or any other person or organisation that submits to BOC's jurisdiction to discipline them (for avoidance of doubt this includes teams, players and officials from another Continental Confederation playing in Oceania in relation to on and off court matters where there is an agreement that disciplinary matters shall be dealt with by BOC) for any infringement of the BOC Statutes, the BWF Statutes and/or for any conduct which is prejudicial to the interests of BOC or the sport of badminton.
- vi. If the BWF JP gives BWF sole discretion to take over as Investigating Party, and it elects to do so.

In case of inconsistencies between these Regulations and the BWF JP, the BWF JP shall prevail

4. BOC POWERS AND DELEGATION

- 4.1. The powers granted to BOC in accordance with these Regulations, the BOC Constitution and the BWF JP, may be exercised by the BOC EB

In such circumstances, BOC shall notify the relevant parties that such a change has been made.
- 5.6.
