OCEANIA MASTERS IN PARADISE

SAIPAN 2026

TRAVEL GUIDE

Want to play in paradise but don't know where to start? We're here to help.

The easiest and most cost-effective way to get to Saipan is by purchasing separate tickets. One ticket to Asia, and another to your final destination.

Currently, flights operate out of the following locations to Saipan:

- Seoul, Korea with **T'way Air** and **Jeju Air**,
- Tokyo, Japan with **United**,
- Hong Kong with **Hong Kong Airlines**.

This makes it the perfect time for a mid-winter Asia Holiday. Tag on a few days in Korea, Japan, Hong Kong, or China before or after the tournament!

Can't get enough of badminton?

Fly in to the Northern Marianas a few days earlier to catch the finals of the BWF Grade 3 Saipan International on Saturday, 25 July.
