**8 To receive and approve the 2024 Financial Statements**

Income exceeded budget, primarily due to favourable exchange rates

Because of increased income, there was increased expenditure particularly in player development and events

Surplus achieved has been allocated to reserves as per currently policy

BOC is in a healthy financial position with total cumulative funds of \$638,000

Julie McDonald queried if BOC had a policy on hedging USDs. Although there is not a policy, funds come into the BOC USD account and are held until there is a favourable exchange rate aligned with the budget before they are transferred into our operating accounts

**There being no objections, the 2024 Financial Statements were adopted by the AGM.**  
**Moved: Julie McDonald (AUS) Seconded: Glenn Cox (EB) – Carried**

**11. Presentation of the 2025 – 2028 Strategic Plan**

The Strategic Plan for 2025 – 2028 was presented by the Secretary General.

The plan is available on the BOC website and will be circulated to all Member Associations.

**12. Constitutional Amendments / Motions for which notice has been given**

The Secretary General presented the constitution proposal; explaining that the amendments were required to align with the new New Zealand Incorporated Societies Act.

Following consultation with a Lawyer, the Badminton Oceania Secretary General, Executive Board and the Oceania Member Countries, the Executive Board proposal is:

*That the updated constitution as presented is adopted to align with the New Zealand Incorporated Societies Act 2022. Acceptance of these amendments will align Badminton Oceania with the new Incorporated Societies Act of 2022 and enable Badminton Oceania to re-register as an Incorporated Society in New Zealand.*

**Moved: Glenn Cox (EB), Seconded: Ngaoa Ranginui (EB)**

**The above changes were adopted by the AGM via majority vote (15 for 0 against).**

The BOC office will now lodge these changes with New Zealand Incorporated Societies and work towards re-registering as an Incorporated Society under the new act. It was noted by the SG that if the changes are not approved by NZ Incorporated Societies, we may need to make additional changes which will require a Special General Meeting later in the year.

**Election of BWF Vice President - Oceania**

## **14. Other Business**

Secretary General gave an update on upcoming events in 2025:

VICTOR Oceania Junior Championships – Saipan, June

Oceania Para Badminton Championships and Australian Para International - Bendigo, October

6 Grade 3 tournaments in Oceania for 2025

Australian Open (World Tour 500) – Sydney, November

The Pacific Games are being held in Tahiti in July 2027. For badminton to be included, there must be a minimum of 8 registered countries by end of June 2025. If there are not 8 countries registered, then badminton will not be included in the Games. The SG strongly urged all members to register their interest to play in the Games with their NOC by end of September to ensure we meet these minimum criteria, if a country subsequently withdraws that is fine, it is the July 2025 date and number which is of high importance at this stage.

Badminton has a goal to be included in the Pacific Games as a core sport and to do so will need to include NZL and AUS. The current proposal is to include teams of u21 or u23 players who have not previously represented their country in a team event; these criteria to be confirmed after further discussions with NZL and AUS.

### **Heather Robson Award**
