

EXECUTIVE BOARD NOMINATION 2026

Sandra Low – Guam

Statement from the nominee as to how he/she can add value to the Badminton Oceania Executive Board.

As a representative from a small island nation, she will bring a perspective that reflects the realities of developing badminton communities, including resource limitations and geographic challenges. This allows her to contribute to policy discussions with an inclusive and practical lens.

Her passion for developing badminton extends beyond her own federation. She has assisted Badminton Oceania staff by liaising with Palau representatives to encourage their membership with the Badminton World Federation and Badminton Oceania, supporting the growth and strengthening of badminton within the region.

Sandra has been involved with the Guam National Badminton Federation since its inception in 2010.

Additionally, her experience serving on Executive Boards of other sports federations enables her to contribute informed viewpoints and good governance practices to strategic discussions.

Other sporting, commercial, management or professional experience or relevant qualifications:

Business Owner
Former President of Guam Volleyball Federation
Former President Guam Va'a Federation
MEMOS graduate – Oceania Sports Education Programme, advanced sports management course

Brief statement of nominee's qualifications / experience for this role.

As a business owner, Sandra brings a strong understanding of sound financial management and accountability. This background was recognized by the Oceania National Olympic Committee (ONOC), where she was selected to serve on the Sport Industry Advisory Committee (IAC).

She has also been entrusted by the Guam National Olympic Committee (GNOC) to serve as Chef de Mission for two major flag events: the Micronesian Games and the Pacific Mini Games, demonstrating confidence in her leadership, organizational skills, and commitment.
