

EXECUTIVE BOARD NOMINATION 2026

Warren Yee - Fiji

Statement from the nominee as to how he/she can add value to the Badminton Oceania Executive Board.

I have been a past player, coach, administrator, President of Fiji Badminton Association now Badminton Fiji, a long serving member of the BOC committee in the 1990's and early 2000 period, and current Patron of Badminton Fiji from 2003.

I would bring in the past experience of having worked with past Oceania legends like Roy Ward, Cedric Baxter, Robin Bryant, Heather and Jeff Robson, Geraldine Browne. Current President Loke Poh Wong joined the committee while I was on it. Current SG Julie Carrel and Board member Joanna Kou were still players in their prime while I was on the committee.

I have experience in attending the BWF AGM and have run many tournaments in Fiji with international world ranked and national players and taken teams away on tours to New Zealand , Australia, Samoa, New Caledonia and Commonwealth Games in KL, Malaysia.

I have not been recently involved with regional and world badminton administration and technical affairs however feel that I can quickly pick this up given my previous knowledge of the sport and region and can contribute positively

Other sporting, commercial, management or professional experience or relevant qualifications:

As president of FBA, I served as badminton's rep on the FASANOC (Fiji Association of Sports and National Olympic Committee) board for many years and secured numerous Olympic Solidarity Grants and facilitated many technical and coaching workshops for the benefit of Fiji

As a consulting building services engineer working around the region, I have had the pleasure of carrying out many projects around the region including being the Design Manager for two sporting facilities in Apia for the 2007 South Pacific Games namely Gym two which hosted basketball and squash and gym 3 at the National University of Samoa which hosted volleyball.

For sports facilities in Fiji I have had input are the four facilities of the Fiji Sports Council: the National Gymnasium, National Stadium, National Hockey Centre and National Aquatics Centre facilities, Yat Sen School Hall, Fiji National University Gymnasium at the Nasinu Campus, University of the South Pacific Multi-purpose Hall at the Laucala Campus and under design consideration the Mahatma Ghandi Memorial School Hall in Suva.
